BARCO-019-1

**REMARKS*****Status of the Application:***

Claims 1–42 are the claims of record of the application. Claims 1–3, 7, 11–13, 17, 19–24, 30–35 and 38–42 have been rejected and claims 4–6, 8–10, 14–16, 18, 25–29, 36 and 37 have been objected to and would be allowable if written in independent form.

***Allowable Subject Matter***

Claims 4–6, 8–10, 14–16, 18, 25–29, 36 and 37 have been objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

***Amendment to the Claims:***

Applicants have amended the claims such that all rejected claims have been cancelled, and all objected-to claims have been amended to remove the objection, i.e., to make into independent form any claims dependent on cancelled claims to include all of the limitations of the previously rejected base claim and any rejected intervening claims.

Therefore, the remaining claims are those that contain the matter deemed by the examiner to be allowable. Allowance of the claims is respectfully requested.

***Conclusion***

The Applicants believe all of Examiner's objections have been overcome with respect to all remaining claims (as amended), and that the remaining claims are those already deemed allowable. Action to that end is respectfully requested.

If the Examiner has any questions or comments that would advance the prosecution and allowance of this application, an email message to the undersigned at dov@inventek.com, or a telephone call to the undersigned at +1-510-547-3378 is requested.

Respectfully Submitted,
